PROFILE

Friendly and dedicated university student, passionate about front-end development. Seeking to leverage programming skills in order to become a front-end intern or junior developer. An active young person that is committed to both personal and professional growth. Invested in sports and hobbies such as volleyball and gym. A reliable team member with an optimistic communication style.

EMPLOYMENT HISTORY

Waiter, Select Banquet Hall

Chisinau

Aug 2021 — Sep 2021

- Circulated within assigned areas to address customers needs, effectively prioritizing tasks during peak hours.
- Maintained polite and professional behavior to patrons and customers.
- Kept up with high volume of work and could easily adapt to different kind of situations.

INTERNSHIPS

Front-End Developer, RasisSoftware

Suceava

Mar 2023 — Apr 2023

- Worked on a mini project called ToDoApp project using ReactJS
- Practiced http requests by building an online shop with fakestoreapi.com
- As the final project I have built a page within a site that allows members to propose events, like or dislike them and filter by date or number of likes.

EXTRA-CURRICULAR ACTIVITIES

Participant, ASSIST Tech Challenge

Suceava

Feb 2023 — Mar 2023

- Worked on an application designed for scanning documents and filling forms with necessary text
- Gained new experience of working in team and having assigned duties and tasks to complete before a deadline
- Started learning ReactJS and applied the new acquired skills in practice
- Presented the final work with a speech in front of the jury

EDUCATION
